

## UNIFORM POLICY 2008 - 2009

December 17, 2008

Dear Parents:

ISL's goal is to ensure a community of learners where all reach high standards. The school community believes that a school uniform policy focuses the student on learning and reduces distractions. The purpose of this policy is to provide increased school safety, to minimize disruption, to easily identify trespassers on campuses, and promote improvement in student behavior. School uniforms also help students to experience a greater sense of school identity and belonging which promotes academic excellence.

All students from K - 8th grade must adhere to the mandatory school uniform daily.
